

TravelAgent Bus Booking Policy (Sample)

1. Ticket Booking

All bus tickets booked through TravelAgent are subject to seat availability at the time of confirmation. A booking is considered confirmed only after payment is successfully processed and a ticket confirmation is issued. Passengers must carry a valid government-issued photo ID matching the name on the ticket while boarding.

2. Cancellation Policy

Cancellations made more than 24 hours before the scheduled departure time are eligible for a refund of 90% of the ticket fare. Cancellations made between 12 and 24 hours before departure are eligible for a 50% refund. Cancellations made less than 12 hours before departure, or after departure, are not eligible for any refund. Partial cancellations (cancelling only some seats on a multi-seat booking) follow the same time-based slabs, applied per seat.

3. Rescheduling

Tickets may be rescheduled to a different date or time, subject to availability, up to 4 hours before the original departure time. Rescheduling more than 24 hours before departure is free of charge. Rescheduling within 24 hours of departure incurs a flat fee equal to 10% of the ticket fare. Each ticket may be rescheduled at most twice.

4. Refund Processing

Approved refunds are credited back to the original payment method within 5-7 business days. Refunds for tickets paid via wallet credit are processed instantly back to the wallet. TravelAgent does not charge a separate processing fee for refunds beyond the cancellation slabs described above.

5. Luggage Policy

Each passenger is permitted one piece of check-in luggage up to 15 kg and one small personal bag (e.g. a backpack) to carry on board. Excess luggage beyond 15 kg may be charged at the operator's discretion, typically INR 50 per additional kg. Fragile, perishable, or hazardous items are not permitted in check-in luggage.

6. Boarding and No-Show Policy

Passengers must arrive at the boarding point at least 15 minutes before the scheduled departure time. The bus operator is not obligated to wait beyond the scheduled departure time for a delayed passenger. A passenger who does not board within this window is marked a no-show and forfeits the full ticket fare, with no refund or rescheduling possible for that leg of the journey.

7. Pets and Special Assistance

Small pets are allowed on board only if carried in an appropriate pet carrier and only on operator services that explicitly permit pets; this is noted at the time of

booking. Passengers requiring wheelchair assistance should notify TravelAgent support at least 12 hours before departure so the boarding point and vehicle can be confirmed to be accessible.

8. Live Tracking and Delays

Where available, passengers can track their bus's live location from the ticket confirmation page starting 2 hours before scheduled departure. In case of a delay exceeding 2 hours caused by the operator, affected passengers may request a full refund regardless of how close to departure the request is made.
